PepsiCo India
30,000 sq ft area.

hindustantimes

HT Media
25,000 sq ft area.

Hindustan Unilever
30,000 sq ft area.

A large industrial vessel, possibly a ship's hull or a large storage tank, is being transported on a multi-axle trailer. The vessel is silver and cylindrical, with a large circular opening at the front. It is supported by yellow cradles. The trailer is blue and has many wheels. A person is standing next to the trailer for scale. The background shows a construction site with cranes and a clear blue sky.

ODC

Over dimensional consignments

BULK MOVEMENTS

With a highly skilled man-power having requisite mining-mate certificates and high-capacity loaders enabling fast movement, we are also into Bulk Movements of Iron Ore and various types of Chrome Ore mines.

A big brigade of experienced and committed transportation and logistics-experts makes up our core team which with its cross-functional co-operation and combined competence has enabled us to attain and sustain the lead in the industry.
